RE: 2015 Special City Allotment Grant Program Application - Garibaldi, Oregon

Dear Mr. Johnson,

Please find enclosed application for the 2015 SCA grant program. Several of us examined several streets and selected the street we thought best complies with your program guidelines. The street we selected (5th St.) is under city ownership, in poor condition (photos attached), carries a high volume of traffic relative to our local traffic, and serves a portion of the school/post office/city hall.

It is probable that we would not be able to repair this entire street with the maximum grant amount and are hoping to complete the project in stages should that be the case.

Thank you in advance, Mr. Johnson. Your consideration is greatly appreciated.

Sincerely,

Blake Lettenmaier
Public Works Director
