

RESOLUTION 2014-16

A RESOLUTION MAKING A SPECIFIC EXEMPTION OF THE GARIBALDI PUBLIC CONTRACTING CODE ON BEHALF OF THE GARIBALDI CONTRACT REVIEW BOARD TO THE COMPETITIVE BID REQUIREMENTS OF THE GARIBALDI MUNICIPAL CODE SECTION 3.10. PUBLIC CONTRACTS, AND AUTHORIZING STAFF TO ACQUIRE COMPETITIVE BIDS FOR THE PURCHASE OF WATER SYSTEMS PARTS AND MATERIALS

WHEREAS, Garibaldi Municipal Code (GMC) 3.10.090(B), Public Contracts, Specific Exemptions, allows for the exemption to the requirement of competitive bidding when the method of awarding such a bid is unlikely to encourage favoritism or substantially diminish competition for public contracts; and

WHEREAS, City staff has informally solicited for three quotes for water system parts and materials in accordance with GMC 3.10.090(B); and

WHEREAS, the nature of the part and materials is such that the competitive bidding process will not encourage competition or substantially affect the cost of purchasing these parts or materials; and

WHEREAS, the GMC 3.10.090(B) states that a Specific Exemption may be made by resolution of the Contract Review Board (City Council) for contracts more than \$5,000 and less than \$150,000; NOW, THEREFORE,

THE COMMON COUNCIL OF THE CITY OF GARIBALDI RESOLVES AS FOLLOWS:

Section 1. The Garibaldi Contract Review Board hereby approves the use of an alternate contracting method as a specific exemption to public contracting competitive bid requirements, pursuant to GMC 3.10.090(B).

Section 2. The Garibaldi Contract Review Board has reviewed and accepted the lower of two quotes received and acknowledges a written refusal from one vendor to provide a competitive quote, and has attached this documentation to this resolution as **Exhibit A**.

Section 4. The Garibaldi Contract Review Board authorizes the City Manager to purchase water system parts and materials using the lowest competitive quote.

PASSED BY THE COMMON COUNCIL AND APPROVED BY THE MAYOR, this 16th Day of June, 2014.

Hon. Suzanne McCarthy, Mayor

ATTEST:

Thank you for requesting a quotation from Consolidated Supply Co. ("Consolidated") for certain materials you need for the project identified in the attached or enclosed quotation document (the "Project"). The enclosed quotation to you is made subject to the following terms and conditions:

1. You must carefully review the quotation to confirm that it meets your requirements before using it for a bid. Unless you have provided Consolidated with a detailed bill of materials and specifications with your requirements (with any applicable addendums), this quotation is only a good-faith estimate and does not constitute an offer which can be accepted or relied on in any manner. Building plans alone do not constitute a detailed bill of materials or specifications, particularly if more than one supplier or subcontractor may be involved in supplying plumbing and/or waterworks materials. Unless the quotation is based on your detailed bill of materials and specifications, you agree that all risk of loss arising from the use of this quotation for bidding purposes-including any loss relating to errors in scope, quantity, price, time, and place of delivery-is on you. All quotations are conditioned upon availability of labor and materials at the time an order actually is placed. You are responsible to specify and select appropriate materials for your intended use. CSCO provides no design, engineering, or other professional services and cannot recommend or warrant goods to be fit for your particular purposes.

2. If you place an order with Consolidated for work or materials for the Project, the resulting contract will be subject to Consolidated's General Terms and Conditions of Sale. If credit is provided by Consolidated, then that credit is provided on Consolidated's general credit terms and conditions. These terms and conditions are available to you upon request and can be viewed on our website at www.consolidatedsupply.com.

3. Delivery under this quotation is FOB Consolidated's OR manufacturer's facility. If the quotation includes delivery to a jobsite, Consolidated may use a method and carrier of Consolidated's choice, unless otherwise stated in the quotation, and Consolidated assumes that the location is legally and physically accessible to interstate freight carriers operating under ICC regulations. Unloading labor will be provided by purchaser. Additional charges may apply if these assumptions are incorrect or if multiple deliveries are required. Consolidated will make a good faith effort to meet delivery dates agreed to in writing, but cannot guaranty delivery dates for goods not in stock or for which the terms of delivery are outside our control.

4. Pricing in this quotation is based on unit amounts and is firm and valid only if the goods are ordered within 30 calendar days from the date of the quotation. Consolidated may extend quoted prices on a case-by-case basis beyond the 30-day period. Consolidated reserves the right to correct or withdraw this quotation in the case of clerical error. Any change in quantities ordered or time for delivery may result in a change of the quoted prices, including unit prices, unless otherwise agreed to by Consolidated in writing. In the case of commodity items subject to dramatic price increases from the manufacturer such as PVC pipe, plastics, iron and copper, Consolidated reserves the right to modify prices in this quotation after the date that it is issued. This quotation is not a bid or a lump-sum quote, unless specifically stated in the quotation.
