

PUBLIC SAFETY REPORT

Tuesday August 15th, 2022 - 6:30 P.M.

Garibaldi City Council Meeting- 8/15/22
Deputy Sam Cummings
Tillamook County Sheriff's Office

Please continue to watch for suspicious people/activities in your neighborhoods and around local businesses. Call 911 for emergent situations, or 503-815-1911 to report non-emergent incidents. With Summer still in full swing, please be mindful of pedestrian traffic- watching cross walks and speed through downtown and residential areas.

Garibaldi Days has now come and gone- as far as law enforcement is concerned, the event went on generally without incident. Just a couple noise complaints, and small things.

Abandoned and over-time parked vehicles continue to occasionally be an issue. If you notice one/any that have been in the same place on public property for an extended amount of time, feel free to call non-emergency dispatch to bring them to our attention. This only relates to public property however. Generally speaking, we can't tow from private property save for rare circumstances.

Please feel free to request a home check or business check if you plan on leaving town for an extended amount of time or even if it's just a day or two. These forms are available under the business forms and documents tab on the city website. Sending me an email or dropping a note by city hall works as well. We would rather spend the time checking on your home or business than potentially have something happen to it due to inattention, and then have to try to pick up the pieces in the aftermath.

We do our best to rotate around town for unprompted after-hours business checks, but if you would like a more focused checks, feel free to reach out.

For updates on happenings locally, and in the county, check the Sheriff's Office Facebook page.
